DISCUSSION

The current Capital Improvement Program identifies construction of the Antelope Valley South Street Bridge Project to occur in fiscal **2010-2011**. The identified funding sources for construction of the project include Highway Allocation Funds (SO), Federal Aid - Urban Area Projects Funds (PC), and requested Federal Aid - Other Funds (OF).

This project consists of constructing a new bridge over the Antelope Creek Channel and the associated roadway to match existing South Street.

The schedule for this project has been developed to allow construction of the new bridge to begin in the Spring of 2011 with the completion of all work by December of 2011. The work will be completed in phases and temporary pavement will be constructed as necessary to maintain traffic flow along South Street throughout the duration of the project.
